

Citizens and Highway Users Advisory Committee (CHUAC)

DATE: November 6, 2008
TIME: 4:00 – 7:00 PM
LOCATION: CIRI Building, 2525 C Street; First Floor Conference Room
TOPIC: CHUAC Meeting #3

Goal for the Meeting: To obtain input from the CHUAC on the range of alternatives for consideration and the screening criteria to be used to select from among the alternatives [or “to narrow the alternatives to those that will be studied in detail”]

AGENDA

- I. **Welcome**—Jim Childers, ADOT&PF (5 minutes)
- II. **Introductions**—Louise Smart, CDR Associates, (15 minutes)
- III. **Project Update**—John McPherson, HDR Alaska, Inc. (10 minutes)
- IV. **H2H Logo**—Recommendations for the Executive Oversight Committee (EOC) (15 minutes)
- V. **EOC Report**—Darrel Hess, CHUAC (5 minutes)
- VI. **Alternatives Spectrum**—John McPherson (10 minutes)
- VII. **Working Dinner / Break** (20 minutes)
- VIII. **Small Group Exercise**—Louise Smart (60 minutes)

The CHUAC will break into small groups as assigned. One person will serve as the group’s “scribe.” Based on the material presented earlier in the evening and the information provided on the project area maps, consider:

- What corridors should be considered?
- Do the corridors as proposed meet the project’s purpose and need?
- How do we build multi-modal alternatives?
- How can the corridors better reflect the community’s values?

Over 

- IX. **Report Out**—All (25 minutes)
- X. **Next Steps**—John McPherson (10 minutes)
- XI. **Next Meeting**—All (5 minutes)
- XII. **Adjourn**
